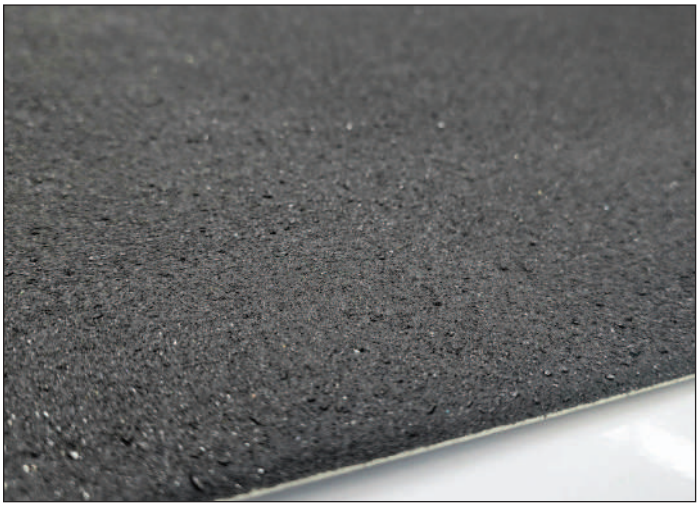
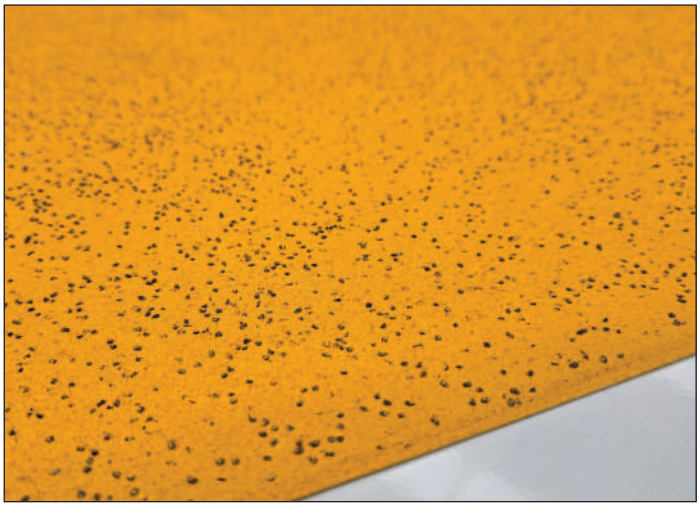
Product Data Sheet - Anti-Slip Sheet (Rigid) SPR

2026 V1

tractionpro
STEADY EVERY STEP





The SPR Anti-Slip Sheet is a rigid sheet with aluminium backing designed to reduce slips and falls in all weather conditions.

PERFORMANCE

The Anti-Slip Sheet is suitable for use indoors and outdoors providing all weather protection from slips and falls.

Performance Properties –

Slip Resistance – Anticipated to be in line with UL410 and AS/NZS 4856 classifications

Salt Spray Resistance – Anticipated to be in line with ASTM B117

Washability – Anticipated to be in line with ASTM D4828

Rate of Burning – Anticipated to be in line with ASTM D635

Surface Flammability – Anticipated to be in line with ASTM E162

Toxicity – Anticipated to be in line with Bombardier Toxic Gas Generation Test SMP800-C

Radioactivity – Anticipated to be in line with ASTM D3648

Independent testing is scheduled. Results are expected to align with previous Ecoglo product performance.

SUPPLY

The product is manufactured in the sizes and colours listed in the table below and is available in packs of 5 pieces.

PRODUCT CODE	PRODUCT DESCRIPTION	SIZE
SPR-070-914152	Anti-Slip Sheet BLACK	914mm x 152mm (36" x 6")
SPR-070-610152	Anti-Slip Sheet BLACK	610mm x 152mm (24" x 6")
SPR-070-305152	Anti-Slip Sheet BLACK	305mm x 152mm (12" x 6")
SPR-080-914152	Anti-Slip Sheet YELLOW	914mm x 152mm (36" x 6")
SPR-080-610152	Anti-Slip Sheet YELLOW	610mm x 152mm (24" x 6")
SPR-080-305152	Anti-Slip Sheet YELLOW	305mm x 152mm (12" x 6")

Custom sizes and colours are available on request

COMPOSITION

TractionPro SPR Anti-Slip Sheet comprises silicon carbide anti-slip materials embedded in a polymer carrier to integrally bond the active ingredients into the 5005 aluminium sheet following curing at high temperature.

HTC
HIGH TEMPERATURE CURING

INSTALLATION

SPR Anti-Slip Sheet can be used on a range of substrates including concrete, timber, tiles and vinyl.

Installation is via mechanical fixers or adhesive and needs to be carried out strictly in accordance with the TractionPro installation instructions.

Consult Installation Instructions on website for full details and surface preparation.

WARRANTY

5 years when positioned indoors
2 years when positioned outdoors
